Academic Background

- Pursuing Ph.D. in Computer Science and Engineering from NIT Karnataka, Surathkal.
- M.Tech in Computer Science and Engineering from KVGCE, Sullia.
- B.E in Computer science and Engineering from KVGCE, Sullia.

Areas of Interest

- Cloud Computing
- Intelligent Information Retrieval

Significant Publications

- Document image analysis using ImageMagick and Tesseract-ocr, ML Smitha, PJ Antony, DN Sachin - International Advanced Research Journal in Science …, 2016
- Providing Cyber Security using Artificial Intelligence–A survey, BS Sagar, S Niranjan, N Kashyap, DN Sachin - 2019 3rd International Conference on Computing …, 2019
- Predictive analysis of sports data using google prediction API, UJ Ujwal, PJ Antony, DN Sachin - International Journal of Applied Engineering Research, 2018

Achievements

- Github Campus Advisor
- Google Certified Associate Android Developer

- AWS Educate Cloud Ambassador 2019-2022
- Attended Google IO 2018 at Mountain view, CA, USA as Google Guest.
