semester immediately, provided the credits registered to supplementary semester both from the I and II semester is not more than 14 credits.

4. As students write exams, the actual regulation for passing a course will prevail. i.e., students should score a minimum of 20 out of 50 marks. Only for such students the improvement in grades, if any, will be considered.
5. After writing the SEE, if there is no improvement in the grade of a particular course, then the existing grade of that course will be considered.
6. If a student remains ABSENT for the examination in the additional chance, no further chances will be given.
7. Exams will be conducted in offline mode and the question papers will have internal choice for each question.
8. Gracing Policy will not apply to II semester results as SEE was not conducted and also it is not applicable in the additional chance provided to improve the grade.
9. Applications received after the last date will not be considered
