About the Institution

Vidyavardhaka Sangha (VVS) stands as a synonym for quality education in the heritage city of Mysuru. VVS was established in 1949 by great visionaries, namely Late Sahukar Channaiah and Late K. Puttaswamy (Former Minister of Karnataka), to impart quality education to all sections of society. There are ten educational institutions starting from nursery to engineering college under the aegis of VVS. At present, VVS is under the able guidance of Sri Gundappa Gowda, President; Sri Shivalingappa B, Vice President; Sri Er P. Vishwanath, Secretary; and Sri Shrishaila Ramannavar, Treasurer.

VVCE - A Leading Institution in Engineering & Management Education, Vidyavardhaka College of Engineering (VVCE) is one of Karnataka's top engineering institutes located in the heart of Mysuru city. We are an Autonomous Institute affiliated to Visvesvaraya Technological University. We are accredited by NACC with an A Grade and all the 6 eligible UG programs are accredited by NBA, New Delhi. We have excellent infrastructure and a futuristic curriculum delivered by competent and experienced faculty. VVCE has the best placement record. We believe in quality education with practical exposure to the latest technologies. VVCE offers a vibrant and inspiring campus life for the students.

OUR VISION:

"VVCE shall be a leading Institution in engineering and management education, enabling individuals for significant contribution to the society."

OUR MISSION:

- To provide the best Teaching-Learning environment through competent staff and excellent infrastructure.
- To inculcate professional ethics, leadership qualities, communication, and entrepreneurial skills to meet the societal needs.
- To promote innovation through research and development.
- To strengthen Industry-Institute interaction for knowledge sharing.

VVCE Scholarships :

- ₹35 Lakh per year including tuition fee waiver (TFW)

I VVCE

I am delighted to study at Vidyavardaka College of Engineering. Also, it is not only about academic scores; they always encourage co-curricular activities. If anyone is looking for placements, then VVCE is the right choice; they train us with special care.

Shree Raksha, CSE

I got placed in Tricon Infotech and Wipro. It is because of the efforts put by our faculties and Traning and placement cell. VVCE provides excellent exposure to students by planning various training sessions, which are very helpful.

Anu yogesh, CSE

To my Juniors,
Teachers have mentored us well with the training, and the placement team has done its part by inviting top companies for us.
It's your opportunity to prepare well, do your best and come out with flying colors.

RAMANUJA M A, ISE

I want to thank the training and placement cell at VVCE for their efforts in provideing an ample number of opportunities to us. I will always be grateful to them for giving me a platform for practical learning and preparing me for corporate life.

Sushma Ganesh , ISE

VVCE provides a platform for us to pursue the career that we want to be invested in, with full assistance starting from day one. Apart from learning, we have exposures to extraordinary events in and out of the college, which help nurture our talents. We have a fantastic placement cell that ensures that every student gets the prerequisite traning-An incredible four years of experience at this College. I'm always going to miss this place.
