# PAVING THE WAY FOR SCHOLASTIC BRILLIANCE

**SRI GUNDAPPA GOWDA**  
President

**SRI Er. P. VISHWANATH**  
Secretary

Founded in 1997, Vidyavardhaka College of Engineering (VVCE), an autonomous institute, located in the heart of Mysuru is one of the preferred destination for technical and management education, backed by a unique course structure, excellent staff, ultra-modern infrastructure, extra-curricular activities, vibrant cultural and technical fests, and systematic entrepreneurial grooming aiming to instil innovative and problem-solving approach among students.

The college was established by Vidyavardhaka Sangha (VVS), to impart technical education of the highest standards, and produce technically competent, confident, and socially responsible engineers. All the 6 eligible UG programs at VVCE namely CSE, ISE, ECE, EEE, ME and CV are accredited by NBA, New Delhi. The institution has been accredited by NAAC with A Grade and is placed in corroborate All India Rank Band 251-300 in the NIRF Rankings 2022. VVCE has also been awarded 'Institute of Happiness' by QS-I Gauge.

#### HIGHLIGHTS OF VVCE

- 1000+ Placement Offers in 2021-22
- 33.3 LPA Highest Placement Offer
- 240+ Committed Faculty
- 80+ PhD Holders
- 75+ University Ranks
- 15:1 Student-Faculty Ratio
- Student scholarships worth Rs. 35 lakh every year

#### ACADEMIC EXCELLENCE & ACHIEVEMENTS

VVCE offers seven UG programs, three PG programs and nine Research Centres for pursuing PhD programs, with a total student population of over 4000. The college has excellent infrastructure coupled with qualified and passionate faculty team to provide a perfect learning ambience. The vibrant campus allows students to flourish personally and professionally. Going beyond classrooms, libraries and labs, the institution offers students numerous opportunities to pursue their favourite activities, refine their skills and discover new talents and interests, through varied academic, co-curricular and extracurricular activities and events. The faculty tirelessly endeavour to assist students in their various pursuits of excellence.

VVCE has strong industry connect and is associated with various corporates through MOUs for upskilling, internships and certification.

#### COURSES OFFERED

The VVCE offers a wide variety of B.E/ B. Tech., M. Tech, MBA and Ph.D. programmes. VVCE has courses in areas of emerging technology, with updated curriculums, to make students future-ready. Multidisciplinary learning is encouraged with students exploring courses beyond their core disciplines. The team at the institution walks beside students, throughout their learning journey, until they achieve success in their careers, thereby emerging one of the best colleges in Mysuru.

#### PREPARING STUDENTS FOR PLACEMENTS AND BEYOND

The Training, Placement and Career Guidance Cells enable students to gain subject and industry specific skills as well as nurture employability skills. Right from the very first year, until they start appearing for placements in the 6th semester, the students are groomed to possess exemplary communication skills, aptitude, reasoning, and logical skills.

In the 1st year, the focus is on developing appropriate communication skills. This is especially helpful for students from non-urban backgrounds to gain better command of language and express their thoughts and ideas in a more articulate manner.

During the 2nd year, the students are trained in soft skills and aptitude. The institution builds the right attitude in students through several specially designed programs. VVCE organizes training programs during the academic year, through a network of experts from academia and industry to enhance their personality.

Through the 3rd year, the focus is on exposure to the real work environment through industry visits, internships, live projects, research activities and company specific training. The students undergo 5-day long rigorous training to develop technical skills and coding skills. Human Resource professionals from leading MNCs also conduct mock interviews to prepare students better.

The institution has a consistent track of ensuring genuine placements with leading multinational and corporate companies, with attractive packages. While the highest offer this academic year is Rs. 27 lakhs, the average package is Rs. 5.0 lakhs pa. Around 1000+ offers have been received by their students and over 100 students have bagged premium packages of Rs. 10 lakhs and above this year.
