HACK- KSHETRA - 24 Hour National Level Hackathon

Date: 25/10/2024

The Department of Computer Science & Engineering at VVCE hosted HACK-KSHETRA, a 24-hour hackathon on October 25, 2024. The event was inaugurated by the chief guest, Mr. Naveen Muddkrishna, Director of Engineering at Western Digital Corporation. Over 260 teams from various engineering colleges across the state participated, with 60 teams selected to compete in the hackathon. These teams worked on innovative solutions for industry-provided challenges in areas such as Artificial Intelligence and Machine Learning, Cybersecurity, Web Development, and the Internet of Things. The solutions were judged by a panel of experts from the industry. The hackathon served as a platform to address some of the pressing challenges faced by society and industries, with the goal of fostering a culture of product innovation and problem-solving mindset.
